

## More than your home, it's your new way of life

Renowned developer, Africrest Properties, brings you their newest flagship development that raises the bar in every way. The scale of this world class development offers advantages that others simply cannot compete with, ensuring you don't compromise when it comes to what is most important - security, design, quality finishes, facilities, community, fibre, location, management and maintenance - at an unbeatable price.

The apartments are built to enhance your comfort with designs that maximize space and function. The state-of-the-art facilities are designed to make you feel like they're an extension of your apartment. Situated in Sunninghill, one of Joburg's most central areas, you will be only minutes away from major hotspots including Sandton, Waterfall, Midrand, Woodmead, Fourways and Bryanston.

Rental includes FREE HIGH SPEED UNCAPPED FIBRE
